Task:

Booking, handling, and supervising the whole supply chain - from order intake, production, shipping till money collection is your daily job - based on Murphy's Law. Each day something else goes "wrong or needs corrective action" - so supervise this with skills - together with colleagues - is the challenge.

Requirements:

- commercial vocational training
- no job experience required - all will be trained on the spot.
- English is a must have
- Chinese language skills a valuable add-on
- commitment and reliability

Our Offer:

- this position offers a long-term perspective in an international group.
- various social benefits (e.g. free lunch, own fitness center)
- central location in Vienna with very good transport connections
- public transport ticket

We are looking forward to receiving your written application including photo by mail to your.career@roxcel.com.
